Dear Parents/Carers,

At St Oswald's we are committed to creating an environment where exemplary behaviour is at the heart of productive learning. Indeed, this will continue to be a key focus over the coming term and beyond.

We have introduced a new set of school rules which are underpinned by the school's values and we have also introduced an exciting new reward system for pupils! Please use the following links to take you to St Oswald's school rules and behaviour policy: [school rules](#) and [Policy](#).

I want to also take this opportunity to remind you about acceptable parental behaviour on the school site – particularly the playground at drop-off / pick up times.

If you have a problem or concern about your child, you should report it via the school office and make an appointment to speak to the class teacher or a senior leader, where it will be dealt with. The school site is, and should always be, a safe place for children and their parents and carers. If you see or hear anything which you feel goes against our ethos, please report it to the office immediately as this is a breach of our Trust Policy: **Expected Behaviour of Parents and Visitors to an Academy** (see extract below).

Thank you to those of you who already have done so. This is a timely reminder that there is no automatic right to have access to the school site, and should negative behaviour which leaves children and their parents feeling unsafe continue, a ban from school premises can and will be imposed.

I wish to extend my thanks to the vast majority of our parents and carers who ensure they conduct themselves in the correct way whilst on the school premises.

Thank you for your continuing support.
