Dear Parents and Carers

Questionnaire for Parents and Carers – Summary of Results

On behalf of the Academy Governance Committee, I would like to say thank you to all parents and carers who returned our questionnaire. A summary of the results is included with this letter.

The results were mainly very positive with 96% of responders agreeing or strongly agreeing that their child is happy, feels safe and is doing well at St. Oswald's Academy. The vast majority also agreed or strongly agreed that their child enjoys Assemblies and feels that the school has a welcoming atmosphere.

A small number of parents and carers raised concerns about the way that the school deals with incidents of bullying and poor behaviour. We know that any allegations are taken seriously, and we have been informed of the steps that have been taken to address these concerns. These include anti-bullying workshops for the children and the recruitment of additional staff to support learning and behaviour.

We would like to pass on our thanks to Mrs. Lorimer and all the staff who have worked so hard to ensure that the children continue to make progress and enjoy school despite the additional challenges that the past two years have brought.

Yours sincerely

Phyllis King

Acting Chair of Governors
