Dear Parents/Carers

We are coming to the end of the school year and there are some important dates for you to note down so you can join us in celebrating the children's journey at St Oswald's

The first important date is transition day, **Wednesday 10th July**, where your child will attend their new secondary school for the day. Your child's new secondary school should have been in contact with you regarding individual arrangements. This means that your child should attend their new school on this date and not St Oswald's unless the new school (e.g. Houlton) is not hosting transition day on that day. Some secondary schools will be putting two days for transition in place and will have informed you about these arrangements.

On **Wednesday 17th July**, at 5.30pm, the children will be presenting their production to parents and carers. They have worked extremely hard singing, learning their lines and acting so this should prove to be a very enjoyable show.

On **Thursday 18th July**, the children will have a festival day. In the morning they will enjoy a movie together, a party meal provided by the school at lunchtime and then organised games in the afternoon - supported by our PE coach. This will be a chance to celebrate their time at school with their friends. On this day, we invite the children to come into school wearing brightly-coloured clothing that is appropriate for school. They can add gems, glitter to themselves and be as creative as possible!

On the last day, **Friday 19th July**, children will need to be back in uniform and will have the opportunity to sign their white polo shirts. These must not be worn on the day as it is easier for the children to get them signed. There will be a leavers' service from 2pm-3pm. This is where the children will have the opportunity to share their best memories of their time at school and the Peter Pollard Shield will be awarded.

Additionally, school will be providing each child with a photo autograph book made up by DSP photography. These will be given out in class during the last week of term and children will have the opportunity to have these books signed by their classmates providing them with a memento of their time at St Oswald's.

If you have any questions, please speak to the Year 6 Team.

Yours sincerely,

C.Long

Year 6 teacher
