Dear Parents/Carers

Next Wednesday, 5<sup>th</sup> June 2023 will be our school transition day. This means that children will be moving up to their new class for the day and learning with their new teacher and teaching assistants.

A change this year is that Year 6 pupils will come into school as normal (unless they are moving to Avon Valley next year – as this transition day is still happening).

Children will come into school off the playground as usual and go straight to their new classrooms. Year 6 should initially go to the library. There will be staff out on the playground at 8.45am to help with anyone who is unsure.

New Reception children will however be coming in at 9.30am and will be greeted at the school gate next to playground by the class teacher (a separate letter has gone out to relevant parents about his).

Next year we are delighted to welcome two new teachers: Mrs Illingworth and Miss Wardle.
